

By and between the City of Parsons, Tennessee, hereinafter called "City and _____, hereinafter called "Customer".

WHEREAS, the City and the Customer anticipate entering into an agreement whereby the city will provide services to install water tap on the customer's property; and

WHEREAS, the City desires the customer to release them from any and all causes of action and liability for installing said tap; and

WHEREAS, both the City and Customer enter into this Agreement for the purposes herein contained:

1. The City agrees to install water tap on the property of the customer and the customer does hereby grant to the City the right to enter upon the property for the purpose of installing said tap.
2. The water tap shall be installed and located according to City of Parsons water policy.
3. City shall not be responsible for any damages caused by installation unless installation is improperly performed and the City shall not be responsible for replacement of said lines or removal of said lines after the installation thereof and the Customer shall be responsible for the cost of relocating or the removal of tap.
4. The Customer waives any right to hold the City responsible after installation of said tap unless the Customer has notified the City in writing of the problem within five (5) days of completion of work.
