Presentations: none

Community Forum:

Phil Barrett stated that he had seen city workers marking parallel parking on west side of Tennessee Ave South, and not marking the area on the east side. Mayor Boaz stated he wanted to talk to the business people on the other side before marking it because they do not have their own parking places. Mayor also stated that there is a possibility that the old East Side Police Station could be torned down to make additional parking. We can have a public hearing to get input on what the citizens will want to do with the buildings.
